Heroes **FORE** Hearing 2024 Golf Tournament

The Dallas Hearing Foundation would like to extend an invitation to attend its first Fundraising Golf Tournament.

Your presence and financial contributions will give the gifts of hearing and speech to children and adults with hearing loss. The Dallas Hearing Foundation is a 501c3 non-profit organization that supports all aspects of hearing services: medical, rehabilitative, education, counseling, and research. Priority is given to children who do not have insurance or other financial resources.

Many lives have been profoundly changed over the past 27 years by the services funded through the Dallas Hearing Foundation. Please help us continue to do so by joining us this year at our Golf Tournament fundraiser.
